

Dear Patients,

It has been an honor and a privilege to participate in your healthcare.

I am concluding my clinical work in Indianapolis and will be focusing on volunteer surgical missions in South America and will not be seeing patients from June 9th, 2013 onward.

I wish to personally thank you for giving me the opportunity to serve you over the past many years. My associates, Dr. Narayanan, Gowdamarajan, Shah and Thek as well as my office staff that you are familiar with, will be providing healthcare for my patients. My associates are excellent, well trained and Board Certified Colo-Rectal surgeons who provide the quality of care you expect from our office. I would not entrust your care to my associates if I had any reservations.

I have greatly valued our relationship and I wish you the very best. As always, our office staff and doctors will be privileged to serve you.

Sincerely,
